My participation in this training has contributed to enhancing my relationships with other stakeholders involved in the organisation.					

Organisational capacity is defined as the internal policies, arrangements, procedures and frameworks that allow an organisation to operate and deliver on its mandate. It represents the ability of an organisation to perform functions, solve problems and set and achieve objectives in a sustainable manner.

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
This training has contributed to strengthening the organisational capacity of the organisation.
